FANCY HANK'S

Located in the beating heart of Melbourne CBD, on the Paris-end of Bourke Street, you'll find Fancy Hank's. A unique venue celebrating contemporary American barbecue since 2012.

We offer a distinct event experience for you and your guests. Marvel at our two-and-a-half-tonne offset smoker named Puffing Billie in the entrance of the dining room and enjoy brisket, chicken, sausages, beef ribs and pork - extracted from its belly after cooking for 16 hours.

Of course, vegetarian and vegan options are also available.

Groups of 30 to 40 can enjoy our main dining room, or smaller groups of 20 can look out across Bourke Street in our window alcove.

If you're booking for a larger group, take a look at our sister venue Good Heavens, located on our rooftop.
